SUBJECT: WORKFORCE INVESTMENT ACT SUPPLEMENTAL YOUTH FUNDS  
FOR PY 2001/02

The purpose of this information bulletin is to announce a supplemental appropriation of youth activity funds. An additional \$25 million has been made available to the States for youth activities in Program Year (PY) 2001/02 as a result of the Supplemental Appropriations Act of 2001. California's share of the \$25 million appropriated totals \$5,502,052; of which \$4,676,744 (85 percent) is being passed through to the Local Workforce Investment Areas (LWIA). Funds added to each LWIA's subgrant will be added using the same formula as the 85 percent youth activity formula funds previously distributed for PY 2001/02.

Based on correspondence received from the Department of Labor (DOL), the supplemental youth funds carry an effective date of April 1, 2001. Therefore, the Workforce Investment Division will be incorporating these funds into the PY 2001/02 subgrants under grant code 301. Since the supplemental funds will be incorporated with the original youth allocations for PY 2001/02, no additional reports will be necessary as all youth funds for PY 2001/02 will carry grant code 301.

For additional information, the DOL Training and Employment Guidance Letter No. 3-01, Change 1, which officially conveys the allotments to the states, may be found on the Web site [www.usworkforce.org](http://www.usworkforce.org).

Attached is the distribution of PY 2001/02 supplemental youth funds to each LWIA, which includes the initial youth allocation, the supplemental youth allocation, and the revised total youth allocation.

If you have any questions regarding the above, please contact your [regional advisor](#).
